Golf & on Course Games

sponsor kristina mitchell

Less than 16 months after Kristina Mitchell had her third child, she was feeling like a typical, but worn-out, new mom. During a routine doctor appointment, Kristina opted to have all labs done which sparked the need for a bone marrow biopsy and ultimately changed the course of Kristina's life. On March 9th, 2018 Kristina was diagnosed with Multiple Myeloma.

Multiple Myeloma is a cancer that forms in a type of white blood cell called a plasma cell. Plasma cells help you fight infections by making antibodies that recognize and attack germs. Multiple myeloma causes cancer cells to accumulate in the bone marrow, where they crowd out healthy blood cells. Fewer than 200,000 people per year are diagnosed with Multiple Myeloma and their average life expectancy is 4 years.

Kristina is dedicated to winning this fight for her children. Unfortunately, her insurance plan limits her local providers so in order to receive the best treatment possible, she has has to travel to Houston, TX.

Please join us at the 23rd Annual Summer Sizzler to support Kristina. All proceeds will go towards her travel and hospital expenses.

sponsorship levels
